SSC

- zilla parishad high school
- PERCENTAGE: 85%

SUMMARY

A B.Tech CSE graduate with a strong passion for web development and creative UI design. Skilled in building responsive, user-friendly interfaces using modern front-end technologies. Interested in combining design thinking with clean, efficient code to create engaging digital experiences. Eager to contribute fresh ideas and grow as a front-end/UI developer in a collaborative environment.

PROJECTS

• Shoots Manager

A web application designed to help manage event shoots by organizing client details, shoot locations, and assigned tasks in one place. Built using HTML, CSS, JavaScript, and React, with a clean and intuitive UI to simplify daily shoot management and improve workflow efficiency.

• Responsive Portfolio Website

Built a responsive personal portfolio using HTML, CSS, JavaScript, and React, featuring reusable components, smooth navigation, and a clean, modern UI optimized for all devices.

• Accident Detection using CCTV and CNN

Implemented a CNN model that processes CCTV video frames to identify accidents and trigger instant alerts.

INTERNSHIP

Front-End Development Intern

- Designed and developed responsive web pages using HTML, CSS, and JavaScript.
- Built interactive UI components such as sliders, forms, menus, and animations.
- Improved website layout, responsiveness, and user experience across different screen sizes.
- Collaborated with mentors to understand requirements and convert designs into functional web pages.
- Used Git & GitHub for code management and version control.

SKILLS

- Html5
- CSS3
- JavaScript (ES6+)
- React.js
- Tailwind CSS
- Bootstrap
- Git & GitHub
- Figma, Canva
